"We have found it extremely easy to use and very flexible for different situations. Thank you for an excellent product – sometimes a rare thing in today's world."

– Gail Blanton, South Carolina

"We recently purchased two of your Pendalex umbrellas which we are absolutely delighted with... we wish to let you know what an absolutely positive experience we have enjoyed simply by selecting a quality product which more importantly is manufactured by a quality company."

– Mr. and Mrs. Leonard Faas, California
